# Another Great Gathering of Wash Goods--Values are Nearly Double the price asked

The reason we are able to offer another great lot of Wash Goods at such low prices, is this:

One of our New York jobbing houses sent us samples of a big clean-up in Wash Goods, saying they had put one of these lots in reserve for us subject to our immediate confirmation by wire. After carefully studying our stock and considering the big values, we wired them to ship. Every piece of these goods are new, fresh, this seasons' goods, and there are a lot of patterns, styles and colors

They are especially desirable for making Cool Summer Dresses, Children's Clothing and other Summer Garments.  
See them on the tables--12c, 19c and 29c yard

## UNRESTRICTED CHOICE

This is the time of year that truly tests a store's serving power.

Right now, when most stocks have been sadly shattered by the first advances of the clothes buying army, this store stands head and shoulders above the crowd in its preparedness to meet every good clothes demand.

LIGHT WEIGHT SUMMER SUITS in Regular and Novelty Styles, Pinch back Belts, Business Suits in Solid Colors, Stripes, Checks or Spatter Patterns; Stout Sizes, Special Models for tall and short figures. Forward Models for the so-called hard-to-fit.

## KUPPENHEIMER CLOTHES STYLEPLUS CLOTHES \$17.00 - \$25.00

There's a lot of price slashing going on. There are offers and special offers. There are odd lots and "special" purchases. There are as many excuses as there are odd suits, and you'll get just about as much real satisfaction as you are entitled to out of such grab-bag buying methods.

Our appeal is directed only to men who seek Economy, know Economy when they see it, and insist on Satisfaction through an unrestricted choice.
